Chicago Textile Corporation redefines comfort...The Scroll Puff cannot be compared to any other.

The Puff chair and rocker frames are made from heavy duty, wrought iron, with a durable powder coat finish. The frames are available in either natural steel with a clear coat, or a mahogany colored steel.

The chair and ottoman (no rocker) are also now available in wood. They are made from a laminated beechwood, with a natural maple or cherry stain finish.

The cushion is removable for cleaning ease. It is constructed with reinforced frame pockets, with resilient foam padding throughout. A wide variety of fabrics are available, in several price groups. Please visit our store to view samples of the fabrics. Additional covers can be ordered. Change your look with the seasons! See a sales associate for pricing.

Please allow 3-5 weeks for all special orders.
