

elements EQ3 upholstery

EQ3 Upholstered pieces take seating to the edge of contemporary design. Clean, simple, sophisticated looks, are offered in neutrals as well as bright fun colors to create bold style statements. Leather upholstery is also available on selected models. EQ3 is affordable self-expression, for the style-conscious. EQ3 upholstery is made in Winnipeg Canada, by the Palliser Corporation, using hardwood frames, with traditional upholstery materials, for classic construction with a contemporary design.
